- **Plus get an additional 25% financing**

U.S. Bank Equipment Finance offers the ultimate in cash flow protection. Qualifying customers can roll up to 25% of their soft costs into the agreement. Softcosts may include installation, training and freight.

- **Quick convenient financing**

Thinking of buying new equipment? It is easy to establish a pre-approval up to \$150,000, with our one-page application. In most cases, we'll have a credit decision back to you in four business hours. We can also pay your equipment dealer within 24 hours of receiving all necessary documentation.

- **Flexible payment structure**

Payments can be scheduled on a monthly, seasonal or semiannual basis to keep pace with your business' cash flow.

- **Tax benefits**

Section 179 allows for a full tax deduction for qualifying equipment. The equipment must be placed in service by the end of the calendar year to be recognized for this benefit. The sooner you take advantage of these benefits, the faster you may realize cash savings that may significantly offset the price of new equipment for your business (consult your tax advisor for details).
